# MAGNUM

Large formats have a widely observed track record of maturing much slower than halves or full size bottles. Magnums and above have a slightly lower ratio of headspace air to wine volume potentially slowing down the maturation process. Provided that the said wines have been kept in ideal conditions. It is therefore advisable to open a magnum rather than two full size bottles.

## Champagne

N/V	<b>Taittinger, Brut</b>	<b>225.00</b>
